

# God's response to your rejection- JUDGEMENT

**Main scripture:** John 8:12; Matthew 11: 16-21;

**Supporting Scriptures:** John 1:4, 9-11; John 3:14-21, Jonah

Jesus Spoke and said I am the light of the world if you follow me you won't have to walk in darkness because you will have the light that leads to life.

Salvation is with Jesus. No Judgment who believes in Jesus but if you don't believe you bring the judgment on yourself.

Judgment is based on this: Gods light came into the world and people rejected the light

the Woe in Matthew 11 is a pronouncement on the coming judgment. What we recognize here is a rejection of truth and that God not only deals with individuals but he deals with nations and cities. So many times when the Lord carries out his judgment on various nations such as Nineveh in the book of Jonah. The prophet has other plans but God in his abundance of Grace though he went another way had him go the intended way via a storm and a fish. God's act of salvation to Jonah was the fish that swallowed him up.

Jesus looked at what was happening in these cities he was preaching and how the people saw so many miracles but the people's hearts were Harden and so he cried out his woe and judgment to these cities.

Word of warning to this city and country - woe unto you the heads of government we have been called on to pray for you that we may live a peaceable life unto God but God says to cry out to the city there is a pending judgment that is hanging over the land. WOE! To the heads of government and the province and the boarders there is judgment hanging over this land there is a cloud of darkness over this land. Oh, Canada if you had recognized the works performed in your land and had repented this would not come upon you but you have rejected the authority of God.

You wrote laws against God's laws and you made it your agenda and legislate the laws against God's law you act in rebellion against God. You have declared war against my holy name. - who can expose us? Holy is the name of the Lord God Almighty the eyes of the Holy one is sitting in the seat of the council. The Lord will expose things we have never seen or heard. I see the press the articles coming out its the God of heaven that will expose the evil in the land - journalist will write the truth and print it that we may see. Can a judgment be performed so quickly but God said I will do it that my name may be glorified. Can not a man govern his tongue? But God will have them confess evil is in the land. Evil in the house of parliament but God will move against the hand of corruption the organized evil God will bring it to naught.

Your suicide can't save you. God is going to heap it upon you - to reject Jesus is to reject salvation. My God! I have never seen it so quickly, exposed.

Woe said God of Heaven woe unto you, you have moved against God's word and acted intentionally against God's word, behold I will bring you into judgment. Come out from them and touch not the unclean thing for His judgment is coming.

I see a spirit of Suicide - AMEN AMEN AMEN
