Notes:

Our Father knows our needs and he will provide. He is saying live! worship him and bless his name. Look after the father's business. He will take care of you. You don't have to worry or be anxious for tomorrow.

I encourage you if eternity is in you time cant destroy you. time is only a medium that will express to the world that you are a product of eternity. You don't need to fear what's coming to this world because you are not of this world. You are eternal, God is with you, he lives in you you shall not be moved.

An excellent spirit - not of this world it is from the Lord.

Daniel is not trying to prove himself, Daniel is continuing to do what he did before the king signed this decree

Fake people won't stick around

We are not consistent with our worship of the living God. It's time for us to worship him in spirit and in truth. Live for Jesus like he has the final say.

God is able to deliver us and is able to see us through. You don't worry about how God will deliver you keep your mind on him and worship him.

God's eyes are on his bride. You are special in the sight of God you belong to him. No one can play with the church and getaway. The church was purchased with the blood of Jesus Christ. When you fight against the church you fight against blood. We are on the side of victory.

My eyes are looking for the return of the Lord and not another. My answer is in Jesus. God set up kingdoms and he tears them down.

He will feed you in the midst of famine. God will take care of you when the world is in misery because you will be the one that is shining in the world. to have Jesus is to have everything. Have confidence in your God God is empowering you to do exploits that the name of the Lord will be magnified among men. God will take care of us. Keep on the firey line.

God set's you up in the workplace God made you the head and not the tail.

This anointing that you have isn't only to speak in tongues it's more than that. It's time for the children of God to prove who you are in this world. Talk for Jesus but make sure you are living for him. Don't be fearful God is on our side He is on our side don't be afraid.
