Notes

God is a spirit and we worship in spirit and in truth. It is about a life dedicated to the name of Jesus when you get the spirit of God you have power over sin. I have found the one who has changed my life. the moment you come in contact with Jesus you life becomes different. Jesus came into this world with the sole purpose to take away sin in this world. Yes God is real he lives in my soul. God came down in the form of a human and his name is Jesus and we know him when we get Jesus it is the greeted thing that we get in this world. The moment you met Jesus it is a difference. I am so glad I found the one whom I love. who shed his blood for me for when I was sinking he plucked me out of sin and brought me in his glorious life.

The hour comes the and now is when the worshipers. The stage is set when we must give our entire minds to Jesus. Evil is being sold as right and the good is looked on as evil and society promotes evil and rejects good. We have to be prepared to render out the entire being, doesn't matter our personal ambitions. What God desires of us is true worship. A life that is empowered by his will.

What is the gift of God? - John 3: 16

Your life your body was made to receive the well of living water. each and every one of us was made to worship the living God.

There is an inbuilt thirst in every man for this water. This Samaritan woman's life is a broken life. Jesus Sees your brokenness and the misery of your life but he wants you to taste and receive living water.

There is a lot of worship that is happening but people don't know who they re worshipping or how to worship God. Moving from this point, this church is going to learn how to worship God in spirit and in truth. This church is going to know how to live by the hand of God. This church, as things are changing so rapidly, we are going to immerse ourselves in true worship where our will is given to God. No man will be able to survive in this hour without giving their will to God. This church will be set on a path to r4ediscover true worship. God is seeking such to worship Him Can y9u imagine the eyes of the Lord scanning the world seeking those who will worship him in spirit and in truth. who will worship Him? who will give their bodies as a living sacrifice? who is willing to

surrender their entire life to Him. God is a spirit and those that worship him must worship him in spirit and in truth. When God speaks to you the darkness leaves your eye and you begin to see the revelation of Jesus.

when we get to understand the importance of this relation that we receive we will be able to take Woodbridge by storm. God just needs a few bodies who will say I am a living sacrifice. Hezekiah knew what true worship was when he threw out the unclean things from the house of the Lord and restored true worship. You can't afford your mind to be given to the powers of this world because if you do you will sell out your brother for a few dollars, but when you are a true worshipper you will stand for the Lord and God will stand for you.

This church will be a difference in this city and in Canada and in this world. The hour comes that men must worship God in spirit and in truth. I am praying for the pastors and ministers across this world - but we pattern our lives after Christ. Don't measure yourself after another assembly. Measure according to the word of God so we can bring forth fruit. We want to challenge the powers of darkness. Most folks are determined to operate in certain guidelines but I want to be like Peter that asks is it better to obey God or man? True worship is a blood sacrifice. God requires blood and so he tested Abraham to slay his son. Jesus came into this world and made himself as a provision [sacrifice] for us. Doesn't matter how broken you are or corrupt you are we are all sinful the blood of Jesus makes the difference. Ask any of these individuals here, the moment you come in contact with Jesus you gain a purpose in life.

You may be trapped in a cycle but when you come in contact with Jesus and you see that all that Jesus wants for you is the goodness with a rich life. When you recognize that, you will lift your hands and say Lord give me to drink.

Lord make me a worshipper in these last days.
