Notes:

I have many testimonies but the need is for more of Jesus Christ. So let's focus on the Lord. That glory belongs to him and victory belongs to us. The Lord gave me a word in my bed as I was praying. We had a revival over 50 years in India, Africa and the UK and I would encourage Singers to get back to those old fashioned songs and sing them the bible says the Lord will compass us about with songs of deliverance. The Spirit of God will flow. I am 81 and I have been in the faith for a long time and I know the Lord will compass us about with songs of deliverance. We are in the COvid season and so many people have passed away from this disease. I came from the UK and this morning I looked in the church that there was only one person with a mask on because they realized that the government should not interfere in the Church. I have been with the Covid patients and have not been afflicted with COvid because the bible says we must have faith in God. Jesus never prayed for one sick person; he spoke to the conditions. He said when we do the right thing we can agree on the right thing. Simon said Silver and gold I dont have but such as I have I give.

We had a prayer meeting and then just the night before the caretaker told my mate we cant have the meeting because you have miracles on the paper. We spent some time in prayer and about 10:00pm we fell asleep at 2:00am we opened the building and we went straight till 6:00am and then the caretaker came and said I couldn't sleep you can have the hall today and 6 months from now

My Body is the temple of the Living God and I exalt the name of the Lord today over my body and sickness. Redemption is free. He has forgiven all the sins we have committed before we come to him. He has redeemed us from them because we have obtained eternal redemption.

1969 we found the New testament Church of God to have our meetings in and the first overseer was in our meeting and in st. John 3: 14 and Jesus of the New testament is the God of the whole world.

Bless the Lord Oh my soul and forget not his benefits. Even if I was sick I am healed. Many people have been healed by just repeating the word of God. The Gospel is the life changing message. Jesus said he came that we may have life and have it more abundantly.

Matthew 16:18 we need to know the power of the one who builds the church.

1 Timothy 6: 14- 16

Christ is with the church and he will not leave the church until the battle is won. He will appear with his glory one day. Christ is in India and in Africa etc. He is the head of the church and he did not leave it to any man but there is a day that is coming when he will come in his glory.

Sunday Morning 2021-09-19

He is the only omnipotent - No man could redeem us because all had sinned and God had promised to redeem mankind.

Deuteronomy 32: 1- 4, 31-33

Many bible scholars believe that Jehovah is the redemptive name but Jehovah did not appear in the bible until the 19th Century. We have his name Jesus - this is my memorial forever, forever he is Lord. And whosoever shall call on the name of the Lord shall be saved. Isaiah 12 tells us that God has become salvation. He is the Holy Spirit in the church. He is the comforter. God is not a ghost. A ghost is a fake God is a spirit.

1 Corinthians 10 tells us that Israel drank of that spiritual rock and that rock is Jesus. God did not use the glory of God to fight war; it is precious. You can't approach him because his glory is brighter than the sun. He didn't send others to convert Paul but he said the Lord shined down on me and so he was converted.

Judgement is justice to the righteous and a judgment on the unrighteous.

Revelations 14: 6

Isaiah 32; Isaiah 28: 15-16

God's grace is greater than sin. God is the healer he heal by his word not by bread. We are healed by stripes.
