

WISDOM the revelation of Jesus Christ

Pastor Othniel James

Main Scriptures: James 3

Supporting Scriptures: 1 John 2: 16-17; James 1:5

John summarizes everything that we see in the world. The lust of the flesh, the lust of the eyes and the pride of life.

This product of the world comes from our fallen status that this world is in. This is a product of sin entering this domain. It's a product of man rebelling against God and it is the lust of the flesh, eyes and the pride of life.

The man who is inclined to believe God and receive of him his will, will remain forever. In that person is the spirit of God and his spirit is eternal. The world will pass away into judgment but such a man will stand forever.

"If you need wisdom, ask our generous God and He will give it to you."

Lord Jesus gave me wisdom that will teach us how to live in this time. My wisdom will lead me in the path of destruction. Ask Lot what wisdom he got when we went into Sodom.

Those who desire to teach should know that you will be judged more strictly. If you say something contrary to the doctrine of this book God will require it from our hands.

If we can control our tongues we would be perfect. If the preacher can control his tongue we would be perfect. You can know who is a spiritual man by his speech. You talk to some individuals and you can tell that they are not walking with God.

If you allow your tongue the evil thoughts in your mind you then become defiled.

The believer should only have one source that governs his life.

No one needs to say I am a Christian, you can say it, but the proof is in the package. I can jump as high as I want but if you don't see a life living for Christ then something is wrong.

Wisdom (logos or memrah) is the revelation of Jesus - the will of God to man. You will only find the will of God in his word. The will of God is for you to know him. When you begin to believe Jesus concerning the will of your life then he will show you what it is you should do.

Be subjected to the king - meaning my will is bent over to Jesus and I am subjecting my will to the will that is from above. The man who spends time to understand the ways of God and the character of God like Abram looked on all the possessions and understood there is a God beyond what his eyes can see and God began to reveal to him the wisdom that is from above.

There is a different spirit moving in this world - a generation that is given to the wisdom of men is becoming scary. Philosophies of men are promoted above the world of God. A generation that is trying to marry eternity with the things of this world.

The wisdom from above is against the nature of the world today.

Look at Joseph who was processed to handle the purpose of his life. God allowed him to be sold into slavery and allowed Jacobs heart to be broken (the sovereign will of God) but while he was on his way to Egypt the Lord was with him. From prison to palace the Lord was with him. There is a level of misunderstanding as to how the kingdom of God operates. - we want to control God's kingdom and how it should function in today's time - not so with the Lord - He is the one who is in control.

David never made a decision to fight the same one who God said he had bloody hands. But he never made a decision to fight. He would always ask the Lord if he should fight and every time he was led by the Lord he was victorious.

The ambition of the believer should have everything to do with the will of the Lord. Those doing the will of the Lord do not carry a selfish ambition. He is not looking to promote himself, he wants to see the kingdom of God to progress. [thy kingdom come thy will be done] we have folks who have selfish ambition- they set their minds on something and they use every ounce of energy to go after it. The lord doing the will of the Lord knows there is a time limit on certain functions today he maybe a preacher but he cant preach forever.

The tongue has the ability to hide what's inside.

If we begin to get into unity then those that are hypocrites will not fellowship in unity. read your bible again - the wheat and the tear is not in the assembly, it's in the world - all souls belong to God.

Look back at the fellowship in the 1st century and one man decided to split the fellowship, Husband and wife God put you together to balance each other, the wife must have the will of God as her ambition and so must the husband. The man Ananias had a worldly ambition in his heart and Sapphire had the opportunity to not agree with the hypocrisy but she agreed with Ananias. The woman should challenge her husband to bring out the best.

Ask God to help you to give freely.

We can't be jealous of anything because we own nothing. God is the only one who has the right to be jealous. Naked we came into this world and naked we will leave.

The grace of God teaches us to deny the worldly wisdom that is demonic. When we see fights and wars where the sister and the brother are fighting and jealousy raising up his head then something is wrong because it means the wisdom of God is not ruling in the assembly. Folks who have a selfish ambition are operating under the influence of demons.

Evil speech was with Miriam even though she was a tower of strength behind Moses she had evil speech and God touched her with leprosy.

God will give room for the devil to touch you to discipline us and this is an act of Love from the Lord.

The wisdom of this world is sensual easy to get upset and be provoked to unrighteousness. There are some folks that are gifted but along with the gift a man must understand that the word of God stands as the authority over the gift and then one will begin to understand how to operate in the word of God. Gifted but immature so I can discern and I can see things in the spirit and a younger spirit and they begin to see too and my gift gave me influence over the church and it recognizes the influence I was having and I begin to take pride in the fact that people are seeing me and so a next person also begins to see in the spirit and God uses that individual and all of a sudden the true nature of God is expose because I begin to feel left out and I didn't not present that feeling to the Lord or speak to myself and ask God to help me.

When we are in the church we look out for one another. If God didn't set you up we will have to put you down, We will never progress if we are not in order. Ministries that love money are not of God. you can have many prophecies over your life and if you are not under God's order those prophecies become a cloak over your life and the clouds won't rain.

A minister must overcome the power of money - the God of this world.
