

WORSHIP GOD- In SPIRIT and in TRUTH

Pastor Othniel James

Topic: Judgment is determined.

Main Scripture: Matthew 24: 32: 29; Genesis 6; Genesis 7

Supporting Scriptures: Matthew 3: 10 -11; Matthew 1: 20 -21; John 1: 9-12; John 14: 7- 11

Note:

God is not going to quarrel with man. God determined that the days of man would decrease. God's eyes are on every man. God observes the ways of men, and he is taking account of all our deeds done in our body.

What a height to reach where God takes notes of men and recognizes that man's desire was just to sin and rebel against the name of the Lord. Rebel against the holy one.

When we are against God it grieves his heart.

For those of us who believe that God is so loving (which he is) that it is impossible for him to destroy people.

What did the creeping things do and the fowls did that God's judgment was DETERMINED to destroy them. Man's rebellion affected the nature of the animals.

One man found grace in the eyes of the Lord.

When we talk about Jesus we must understand that the man that walks with God will stand. Noah walked with God and he found grace in the eyes of the Lord.

Let's think about the present world that we are living in. How different is today's world than the world back then. We have leaders that stand in absolute rebellion against the work of the Lord. They promote lifestyles that are contrary to the word of God and we are not ashamed. Violence and corruption on our streets and in our governments and the poor are taken advantage of. How much different is our world today?

When we read the book of Genesis, it tells us the mind of God toward humanity. There will be an end. As we get to understand the act of God's judgment there are those who say that when we see all these disasters we call them natural disasters but the first disaster was determined by God himself.

God says he will bring a flood of water to destroy all flesh - it wasn't by chance.

Here we have in this chapter of Genesis - it tells us of the doctrine of salvation. Brothers and sisters here we have another statement of truth that salvation comes from God and God alone. The act of salvation comes from above. Noah is being told what to make for his deliverance. If Noah disobeyed how to make the ark that boat would not sail. Salvation comes directly from the throne of God. The justice of God must be met but the mercy is extended to humanity. Noah Make me an ark. No man can ask God why about his salvation. He tells us how we will be saved and enter into his kingdom. We can't argue over the salvation process.

We live in a world that is so corrupt that man is going against the nature of God but those who stand against him he gives them over to a reprobate mind. My god said male and female - one wife. That's the principle that was established in the beginning and that's the principle that's applicable today.

If we treat the process of salvation with no regard we won't be saved. God is looking for the righteous people in every generation.

God shut Noah in the Ark. What happened when Noah and his family and all the animals went into the ark to the rest of humanity? The screaming of these people when they saw the waters open up could not then shake God in that judgement hour. It was too late. What happened to the babies and the mothers who were pregnant and the folks who were disabled, or old folks? God said their hearts were corrupt. God is looking at this generation and he sees the corruption. The babies could not cry enough to move God to open the door, what he says stands sure.

The world does not understand God's saving grace but the word of God stands sure.

The moment Noah went into the ark all the animals that were determined to be saved showed up that's a mystery of God. The judgment s of God is determined.

Last week i was caught up in a vision and church folks were excited about the things they owned and people would talk about what the vehicles could do and what is could not do and i said Omg i don't know how we get so caught up in material stuff and i stood on the main road all by myself and i looked and the clouds were so dark and behind the clouds were some shimmering of lights and when i looked everyone's eyes were up into the heavens looking in awe and itr was as if you were watching a movie and you hit pause and I am looking what's behind the clouds and all of a sudden i see a plack of a flat stone that came through the clouds with beautiful colors and i look in it and it had writings on the bottom but on the top I saw 5G soi i was looking on it but i wanted to see what was written below and the plack went up. I heard the word of the Lord said I take note of every act of rebellion against my name. The Lord looked down on the world in the sayd of Noah and said my spirit will not always strive with man. Man is vain in our imagination; we are driven in rebellion against the name of the Lord. We have to believe that word. There are billions of people all over this word and there is a word that stands sure. IF YOU BELIEVE IT THE CHURCH WILL MOVE WITH COMPASSION FOR PEOPLE, God determines the path of salvation - it's an avenue to escape the wrath of God.

Matthew 3: 10 -11; Matthew 1: 20 -21

The right question is - how could man go against his creator and become contrary to the words of God.

Here we have a truth that is beyond the reasoning of men but absolutely sure - Matthew 1: 20 -21

Now Joseph witness that he did not have any relations with Mary and she is now pregnant. But the angel appeared to him in a dream that told him not to fear.

In this time here comes the doctrine of salvation there is no other name that we have where we must be saved outside of the name of Jesus. The time came to show forth his hand of deliverance he sent his only begotten son. The Church of the living God, God has a plan of salvation like he told Noah to build an ark he came down in the womb of Mary and he became flesh inside of her. Those who reject him will be condemned.

Call his name Jesus. This Jesus was the word became flesh and the light that shone in darkness

John 1: 9-12; 3-4

God has one church and he is building his church - God said one window and one door for the ark he was very specific to the details of the building of the ark.

We live in a time when the pride of men has increased so much that men are telling people how they can be saved outside of the word of Christ. Some folks are saying you can be saved outside of the name of Jesus but the power and authority is in the name.

All things were made by him - in the days of Noah God said I will destroy every living thing that I have created. Now here we have an account telling us that the same word that spoke to Noah - all things were made by Him. This word manifested as flesh - God - says if you believe on my name you have the power to be the son of God. The name is the most important thing - No name no claim.

Repentance is in the name of Jesus. Baptism is in the name of Jesus.

John 10: 7

There is one door - Jesus

John 14: 6

There is only one way, One truth, One life - Jesus.

What are we in church for: for life. Not for a social gathering.

Jesus is the one that is speaking. the pastor doesn't have life to give - Jesus says I am the way. The preacher must know the way before he can talk about the way.

Call his name - tell me what the name of God is. His name is Jesus. Don't be afraid to tell me about his name because there is power in the name of Jesus. All you have to do is simply - believe.

John 14: 7 is for those who are confused about God and Jesus.

If you would have known me you would have known my Father also and from now on you know him and have seen him.

John 14: 7- 11 -How could Jesus respond like this to Phillip? He didn't ask to see Jesus, he said show us the Father and Jesus responded to his identity as the Father.

Salvation belongs to God only he can provide an avenue of salvation. Don't be afraid to call his name Jesus. That is the seal we have on our lives that guarantees our salvation.

Open our eyes when we look at a nation with a leader that stands against the word of God and boasts about it we are in trouble. A nation that has become vain in our imagination. In 2019 would have gone off for summer jobs that would have been sponsored by the Federal government and before you get that funding you would have to agree with abortion. But the time clock is striking the hour and now the whole world is going against the identity of a person.

My own daughter was so broken. Everyone has changed, no one wants to be called by their gender vain in their imagination.

God made them male or female no other. The bible tells us only the true and living God must be worshipped. All other religions are free to express themselves but to christianity we have to cut you down. Now they are telling parents if you are taking care of your children and you notice one desire to express themselves a different way and want to change their gender we must allow them to express themselves and it will be a crime to fight against them. Now they have the right to take away their child because parents are becoming abusive to make their child remain their gender. Now someone who has had a sex change and has heard the word of God and the pastor begins to provide such counsel and that pastor could be imprisoned and locked up in prison preaching what the Lord says. Vain in their imagination - Jesus is here you must be sure about your salvation. When the Lord looks down and sees the corruption no man knows the day or hour but he is coming.

Noah do you believe? - Yes Lord and so he cuts down timber and buildings and many think he is crazy. So it is right now as we speak a man has to be positive- when Jesus says I am the way - if he said the same about Noah and he destroyed them and look on our generation and have mercy he would have to resurrect the generation of Noah. He is looking and seeing the corruption in the world and will not spare a man unless he knows Christ. You can't holler enough and give enough hoping your good deed will ease the pain in the process of death. No other way but through Jesus.

Any man who begins to believe in the name of Jesus Christ - then out of your belly- your innermost being will flow rivers.

Repent for the kingdom of heaven is at hand - that was Jesus' message.

The woman who was caught in adultery after her accusers left her he said go your way but sin no more - Repent

He met with a man who was thrown out of the synagogues and he said to him do you believe in the son of man and he did and followed him on the way.

I am telling you when you begin to believe in Jesus the one who shed his blood for you and died for you that we can be saved. You begin to repent in your heart and turn from darkness. Once you begin to believe you know he has a promise for you - you didn't ask him for it he promised you. He said it's free. Only believe. Repent.

Some don't understand what it is to receive the gift of the Holy Ghost. God says to us to repent and believe in His name - do you believe that he died and that He came into this world- the revelation of God came into this world for the sole purpose to save us from our sins and we agree with it that he died on calvary and cried out it is finished- When God said it is finished it is finished. Believe in him right now.
